At the English Institute, students learn English while immersing themselves in American culture. Our program offers:

- Six levels of English (beginning through advanced) and a wide range of courses including TOEFL and Business English
- 15-week semesters starting in January and August and a 10-week summer session starting in May
- Individual advising, an American conversation partners program, and various trips and social activities with Americans
- Affordable prices with convenient payment plans
- Full access to Howard Community College clubs, activities, and facilities

Student Visa Option

After the student applies to the English Institute, HCC will issue the documents needed for a student visa. The student then visits the U.S. Embassy in his/her home country to apply for a student visa.
