

Renewable Energy Benefits

Reducing Greenhouse Gas Emissions
 Creating Jobs In Rural Areas
 Strengthening America's Energy Independence
 Stabilizing Energy Costs

Improved Reliability From Distributed Generation

Potential Economic & Environmental Impacts

**Creating Jobs
In Rural Areas**

**Reducing
Greenhouse Gas Emissions**

**Strengthening
America's Energy Independence**

**Stabilizing
Energy Costs**

**Solar improves grid
reliability at times of
peak demand**

100% Green @ 2PM

**Improved Reliability
From Distributed Generation**
